YETI Tundra 65 Cooler-Excellent (used) Condition

PRODUCT DESCRIPTION:

The heavy-duty Yeti cooler weighs 29lbs and measures 17.5 x 16 inches. This Tundra 65 cooler is made of plastic and boasts 3 inches of Yeti's exclusive PermaFrost Insulation, backed by a ColdLock Gasket to keep the contents cooler for longer. The Fatwall design features extra-thick walls, rotomolded construction to make it almost indestructible, and pressure-injected, commercial-grade polyurethane foam in both the walls and lid. This is designed to last a lifetime-the last cooler you will ever have to purchase.

Comes with two food baskets.
